EMP Frequently Asked Questions

Answers to common questions about emergencies

Q: What do I do if there is a fire at the DYAR office?

A: Go outside immediately. Walk — don't run. Meet at the footpath on Main Street outside La Villa Centro. Wait for DYAR to count everyone. Do NOT go back inside.

Q: What if there is a fire at my home?

A: Tell everyone to GET OUT. Close doors behind you if you can. Go to your meeting place (usually the letterbox or driveway). Call 000. Do NOT go back inside.

Q: What if I cannot leave the building by myself?

A: Your PEEP (Personal Emergency Evacuation Plan) tells DYAR exactly how to help you. Your worker will be with you. You will be safe.

Q: Who do I call in an emergency?

A: ALWAYS call 000 first if there is real danger. Then call DYAR: Mehdi on 0470 540 306. We are available day and night for urgent things.

Q: What if there is a bushfire warning?

A: Check the WA Emergency website at emergency.wa.gov.au. If the danger is HIGH or higher — leave early. DYAR will call you to make sure you are safe.

Q: What if the power goes out?

A: Use a torch — NOT candles. Call DYAR if you have equipment that needs power (oxygen, fridge for medication, hoist).

Q: What if I'm sick — should I cancel?

A: Tell DYAR straight away. Call 0470 540 306. You will NOT be in trouble. DYAR will reschedule and check on you.

Q: What if my worker doesn't turn up?

A: Call Mehdi: 0470 540 306. We always have backup workers available.

Q: What if there is a lockdown at the building?

A: Stay inside. Lock external doors. Move to inner safe room. Wait for the all-clear from Service Manager or police.

Q: What if I need help in an earthquake?

A: DROP - COVER - HOLD. Drop to the ground, get under a sturdy table or desk, hold on. Stay clear of windows + heavy furniture.
