DYAR Statement on Advocacy Services

DYAR's formal commitment to your right to independent advocacy

Our position

DYAR Pty Ltd believes every participant has the absolute right to independent advocacy. We support, encourage, and facilitate participant access to advocates — even when an advocate's role is to challenge DYAR's decisions.

What this means in practice

DYAR will:

- Give every participant the Advocacy Flyer at intake
- Update the flyer annually
- Tell participants their right to use an advocate at every Service Agreement signing
- Help any participant call an advocate on request
- Make space for advocates in meetings
- Provide interpreters + Easy Read materials for any advocate engagement
- Cover transport + communication-support costs for any advocate-led meeting
- Engage advocates ourselves where Director or nominee capacity needs external review

DYAR will NEVER

- Discourage a participant from contacting an advocate
- Hide DYAR's actions from an advocate engaged by a participant
- Retaliate against a participant for using an advocate
- Reduce supports because of advocate involvement
- Make participant access to advocacy contingent on anything
